GENERAL LEAVE

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and to include extraneous materials on H.R. 1036.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from Texas?

There was no objection.

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 1036 authorizes the Administrator of General Services to convey a parcel of real property to the Alaska Railroad Corporation. Subject to certain requirements, but not later than 2 years after the date of enactment of the bill, the Administrator shall convey to the Alaska Railroad Corporation a parcel of real property known as GSA Fleet Management Center.

The GSA Fleet Management Center is a parcel located at the intersection of 2nd Avenue and Christensen Avenue in Anchorage, Alaska, consisting of approximately 78,000 square feet of land. The Alaska Railroad Corporation, in exchange for the land, will either provide a replacement facility for the GSA Fleet Management Center to be conveyed or the Alaska Railroad Corporation will pay the Administrator for the fair market value of the GSA Fleet Management Center based on its highest and best use as determined by an independent appraisal commissioned by the Administrator and paid by the Alaska Railroad Corporation. All proceeds derived from the possible sale of the GSA Fleet Management Center

would be deposited in the Federal Buildings Fund.

I support this bill to transfer this property, Mr. Speaker, from the GSA inventory to the Alaska Railroad Corporation and particularly want to note, consistent with Transportation and Infrastructure Committee policy and guidance on these transfer matters, that the bill protects the Federal interest.

H.R. 1036 requires either the GSA is provided with a replacement facility or the railroad corporation will pay the fair market value for the building based on an appraisal of the highest and best use. Further, if the building is bought by the railroad, the proceeds will be deposited into the Federal Buildings Fund.

Mr. Speaker, I reserve the balance of my time.

Mr. GRAVES. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 1036, as amended, was introduced by Representative Don Young from Alaska on February 13, and it requires the Administrator of General Services to convey a small GSA property to the publicly owned Alaska Railroad.

The parcel of property is known as the Fleet Management Center. It is located in Anchorage, Alaska. It is currently being utilized as a GSA motor pool, but it is necessary for the planned expansion of the rail yard there in Anchorage.

H.R. 1036 requires the Administrator to sell the property at either fair market value or to exchange the property for a like valued piece of real estate. The value of the property will be determined by an independent appraisal commissioned by the GSA and paid for by the Alaska Railroad Corporation. This bill requires that all the proceeds from the sale be deposited into the Federal Buildings Fund.

Mr. Speaker, I support this measure, and I urge my colleagues to do so.

Mr. Speaker, I reserve the balance of my time.

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I yield such time as he may consume to the chairman of the committee, Mr. OBERSTAR.

Mr. OBERSTAR. I thank the gentlewoman for yielding.

It is very important to move this legislation. The former chairman of our committee, the gentleman from Alaska (Mr. YOUNG), introduced this legislation in the 109th Congress, but for various reasons of logjams, legislative logjams, it just didn't make it to the House floor because of scheduling problems of the House. But it is very important for the Alaska Railroad, which is an entity of the State of Alaska, and the gentleman from Alaska (Mr. YOUNG) has several times talked to me about the need to move this bill. We had it all ready to go in the last Congress, as I said, and I am very happy we are able to bring it up early on in this session of the 110th Congress.

If looked at on its face, it would be a very simple matter to do, a 78,000

square foot parcel of real property in Anchorage, Alaska, needed for the Alaska Railroad's operations. But as we got into it, the Office of Management and Budget and the Congressional Budget Office raised some scoring issues. So in further review of the matter, we found a way to subject the transfer and the transfer of funds to the appropriation process. That removes the scoring issue. The Administrator of GSA will require the Administrator of the Railroad Corporation to pay fair market value of the property based on highest and best use by an independent appraisal, and that independent appraisal will be commissioned by the Administrator of GSA and will be paid for by the Alaska Railroad Corporation. Then that money will be deposited into the Federal Buildings Fund and the whole exercise will be subject to the appropriation process. That way the interests of the Federal Government are fully protected and the entire transaction will be totally transparent. It is a very good outcome. It benefits the GSA. It benefits the Public Buildings Fund of the Federal Government, and it benefits the Alaska Railroad and the State of Alaska.

I know that the gentleman from Alaska (Mr. YOUNG) is very pleased with the outcome, and I want to thank the ranking member of the Subcommittee on Economic Development, Public Buildings, and Emergency Management for his participation through this process and bringing it to a successful conclusion and also the Chair of our subcommittee, Chairwoman Norton.

With that, I urge passage of this legislation.

Mr. GRAVES. Mr. Speaker, I think the gentleman from Minnesota said it all.

Mr. Speaker, I yield back the balance of my time.

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from Texas (Ms. EDDIE BERNICE JOHNSON) that the House suspend the rules and pass the bill, H.R. 1036, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, House Concurrent Resolution 123 authorizes the use of the Capitol Grounds for the District of Columbia Special Olympics Law Enforcement Torch Run.

The Capitol Police, along with the D.C. Special Olympics, will participate in the torch run to be held on June 8, 2007. The D.C. Special Olympics will work closely with the Capitol Police and the Architect of the Capitol to make sure that the event is in full compliance with rules and regulations governing the use of the Capitol Grounds.

The Law Enforcement Torch Run for the Special Olympics is run nationwide

by law enforcement officials leading up to each State's or national Special Olympics summer games. Each year, nearly 50 local and Federal law enforcement agencies in Washington, D.C. participate to show their support of the D.C. Special Olympics. This torch relay event is a traditional part of the opening ceremonies for the Special Olympics. For the fifth year these opening ceremonies will take place at Catholic University in the District of Columbia. This is a worthwhile event attended by thousands of Special Olympians, their families and friends, and I support the resolution.

Mr. Speaker, I reserve the balance of my time.

Mr. GRAVES. Mr. Speaker, I yield myself such time as I may consume.

House Concurrent Resolution 123 authorizes the use of the Capitol Grounds for the District of Columbia Special Olympics Law Enforcement Torch Run, which will be held June 8, 2007. This event is cosponsored by the U.S. Capitol Police.

The Special Olympics is an international organization dedicated to enriching the lives of children and adults with disabilities through athletics. The U.S. Capitol Police will host the opening ceremonies for the torch run, which will take place on the west terrace of the Capitol. Once lit, the torch will be carried to Fort McNair. An estimated 2,000 law enforcement representatives from more than 60 local and Federal law enforcement agencies will participate in this year's event.

Congress has traditionally supported this worthy cause by authorizing the use of the Capitol Grounds. I encourage my colleagues to join the law enforcement community in supporting the Special Olympics and join me in supporting this resolution.

Mr. OBERSTAR. Mr. Speaker, I rise in strong support of H. Con. Res. 123, which authorizes the use of the Capitol Grounds for the District of Columbia Special Olympics Law Enforcement Torch Run.

Thanks to the tenacity to Eunice Kennedy Shriver and her family, thousands of Special Olympians see their self-confidence, self-esteem, and health increase by participating in the Special Olympics. These games highlight the athletic feats of mentally challenged children and young adults. Confidence and self-esteem are the building blocks for these Olympic Games. Better health, coordination, and lasting friendships are the results of participation.

The Law Enforcement Torch Run for the Special Olympics is run nationwide by law enforcement officers, leading up to each state's and the national Special Olympics Summer Games. Each year, nearly 50 local and Federal law enforcement agencies in Washington, DC, participate to show their support of the DC Special Olympics. This torch relay event is a traditional part of the opening ceremonies for the Special Olympics. Law enforcement officers, who are part of the extensive volunteer network that supports the games, carry the Olympic torch across the Capitol Grounds through the District of Columbia to Catholic University. The Capitol Police, along with the

DC Special Olympics, will participate in the torch run to be held on June 8, 2007.

Each year, approximately 2,500 Special Olympians of all ages compete in the DC Special Olympics in more than a dozen events. The event is supported by thousands of volunteers from the District and the region and is attended by thousands more family and friends of Special Olympians.

These games are a wonderful expression of inclusiveness and a confirmation of individual contribution. I enthusiastically support this resolution and the very worthwhile endeavor of the Special Olympics.

I urge my colleagues to join me in supporting H. Con. Res. 123.

Mr. GRAVES. Mr. Speaker, I yield back the balance of my time.

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I urge passage, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from Texas (Ms. EDDIE BERNICE JOHNSON) that the House suspend the rules and agree to the concurrent resolution, H. Con. Res. 123.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the concurrent resolution was agreed to.

A motion to reconsider was laid on the table.

SUPPORTING THE GOALS AND IDEALS OF NATIONAL PUBLIC WORKS WEEK

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I move to suspend the rules and agree to the resolution (H. Res. 352) supporting the goals and ideals of National Public Works Week.

The Clerk read the title of the resolution.

The text of the resolution is as follows:

H. RES. 352

Whereas public works infrastructure, facilities, and services play a pivotal role in the health, safety, and well-being of the people of the United States;

Whereas public works infrastructure, facilities, and services could not be provided without the skill and dedication of public works professionals, including engineers and administrators, representing State and local governments throughout the United States;

Whereas public works professionals design, build, operate, maintain, and protect the transportation systems, water supply infrastructure, sewage and refuse disposal systems, public buildings, and other structures and facilities that are vital to the citizens, communities, and commerce of the United States;
